

“While they were there, the time came for the baby to be born, and Mary gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger because there was no guest room available for them” - Luke 2:6-7

Dear Mrs Jute Williams and the whole team of HHI

21.12 2023

I would like to express my heartfelt gratitude for the generous donations donated by Health Help International towards the purchase of the sterilizer “Big Bertha” and your financial assistance provided with the shipping costs. Many thanks!

The container with the sterilizers and plenty of medical goods arrived safely in Monze on 10th of December 2023.

Thank you very much for your immense trust in my work.

I wish you a joyous Christmas and a happy new year.

Kind regards

Ludwig Odermatt

Born just a few minutes ago at Monze Mission Hospital in Zambia, this baby reminds us of the joyful

Message of Christmas !
